

100 Big Outdoor Sculptures From Local, National And International Sculptors

“Shaping Passion”

The Sculptors Invitational

"This is the closest San Antonio comes to having a full fledged sculpture park. Both the city's art museums ... can't match the variety or quantity of the Sculptors Dominion. ... the wide variety and number of sculptures in a pleasant outdoor setting is well worth the time and effort to see." Dan Goddard, San Antonio Express News.
